ITINERARY IN DETAIL

Day 1: Fly from Kathmandu to Nepalganj then drive to Samjhighat

Following our morning meal, our employee will pick you up and transport you to Kathmandu Airport for our domestic trip to Nepalgunj. From there, we will arrange a bus or a vehicle to Samjhighat, where we will spend the night.

Day 2: Rafting from Samjhighat to Kumalgaun

After our morning meal, we will meet with our guide and team, who will go over basic safety precautions and instructions. We are now ready to begin our tour and spend entire days rafting through the stunning scenery and hard rapids of the Bheri River. Paddle down to the lovely camping location at Kumalgaun and spend the night there.

Day 3: Rafting from Kumal Gaun to Jamu then fishing at Jamu.

We will resume our rafting excursion after our morning lunch and proceed downstream, experiencing new portions of the Bheri River. We will stop and rest once we get to our campground in Jamu. Jamu is also a popular fishing destination, so following our short lunch session, we will visit fishing sites famed for a variety of fish species and if you are interested then we will fish for a while.

Day 4: Rafting from Jamu to Chisapani

Today is the last day of our rafting trip. After breakfast, we will continue our rafting excursion downstream, admiring the natural beauty and fauna along the riverbanks. Our rafting trip will come to an end after we get to the campsite and rest for the day in Chisapani.

Day 5: Drive back to Nepalganj and fly back to Kathmandu

Finally, the day has arrived for our return to Kathmandu. So we'll book a bus or a vehicle back to Nepalganj Airport and fly back to Kathmandu, bringing this adventure to a close.
