

Sunkoshi River Rafting - 9 Days

The Sunkoshi River in Nepal is a popular rafting site, known as the "River of Gold" due to its attractive golden tint during certain times of the day. This tough and long river originates on the Tibetan plateau and provides an amazing rafting experience. The difficulty level extends from Class III to Class V rapids, drawing both intermediate and experienced rafters looking for an adrenaline-fueled adventure. The tour offers participants stunning vistas of Himalayan mountains, terraced crops, and rural towns, as well as the opportunity to camp on pristine sandy beaches.
